BioTexas in Boston for Annual BIO Convention

AUSTIN, TX - May 19, 2023 - The Texas Healthcare and Bioscience Institute (THBI) will host the BioTexas Pavilion at the 2023 BIO International Convention in Boston, MA, June 5-8. Each year, THBI organizes a delegation from Texas to showcase the state's thriving biotechnology and life sciences sector at the world's largest biotechnology conference.

The BIO International Convention is the largest global event for the biotechnology industry and attracts the biggest names in biotech, offers key networking and partnering opportunities, and provides insights and inspiration on the major trends affecting the industry. More than 16,000 biotechnology and pharmaceutical leaders are expected to attend the annual gathering.

Texas is home to more than 7,400 life science businesses and over 116,000 employees in related fields. Many top Fortune 500 companies focused on life sciences and many global industry leaders have major operations in the state. Texas is an epicenter for innovation in this ever-growing and important field. Our highly trained workforce, top-tier research institutions and business-friendly climate strengthen the state's status as a global life science industry leader.

The BioTexas Pavilion will host a delegation that showcases the innovation happening in the Texas life science industry. The delegation includes representatives from more than 20 communities, universities, and companies. The pavilion is co-hosted by Texas Healthcare and Bioscience Institute (THBI), Texas Economic Development Corporation (TxEDC), and the Cancer Prevention and Research Institute of Texas (CPRIT), and will have space dedicated to showcasing Austin, College Station/Bryan, North Texas, and San Antonio. BIO attendees are encouraged to stop by Booth #1465 to learn more about what is happening in Texas.

Additionally, the BioTexas Pavilion will co-host a Texas Two-Step Happy Hour with the BioHouston Booth on Tuesday, June 6, as a part of the Exhibitor Hospitality Reception at the Boston Convention & Exhibition Center. All convention attendees are invited to come by Booths #1465 and #1472 to enjoy light bites, cocktails, and network with the industry leaders and communities that make Texas one of the leading life science destinations in the country.

The Texas delegation includes:

About THBI

The Texas Healthcare & Bioscience Institute (THBI) is a member of the Council of State Biotech Association (CSBA) and the Texas BIO affiliate. THBI is the state's trade association for the life sciences and serves as the Texas public policy voice for the healthcare and bioscience industry. A membership organization, THBI works with pharmaceutical companies, academic institutions, biotech and medical device companies, economic development entities, and service providers providing unparalleled networking and synergy to effectively address the public policy needs of Texas' growing life sciences community. The Texas Healthcare and Bioscience Institute is a nonprofit 501(c)(6) organization.
