

TEXAS

HAPPY HOUR

Tuesday, June 6
5:00 - 6:30 PM

Booth 1465 & 1472
Bio International 2023

Enjoy light bites, cocktails, and network with the industry leaders and communities that make Texas one of the leading life science destinations in the country.

Boasting over 7,400 life sciences businesses, top research institutions, and the largest medical center in the world, the Lone Star State is well-positioned to take on the greatest medical challenges of our time.
