Showcase. Connect. Grow.

Meet the Leaders Driving Life Science Innovation

THBI invites you to exhibit at the largest statewide life science industry conference and position your company in front of hundreds of life science leaders, decision-makers, and professionals from across biotech, pharma, medtech, research, and economic development.

As an exhibitor, you will gain a high-visibility platform to showcase your brand, services, and products to a targeted, engaged audience seeking new solutions and partnerships. This is a unique opportunity to build meaningful connections, generate qualified leads, and strengthen your presence within the life science ecosystem.

\$3,500 (\$2,500 for THBI Members)

WHAT'S INCLUDED:

- Registration for all Summit events for 4 guests
- One and a half days of company exposure, including 4.5 hours dedicated to highlighting all expo participants
- Company description listed on expo marketing materials and in expo directory
- Logo/Name on event marketing materials, sponsor signage, and THBI website
- (1) 6-foot table and (2) chairs
- Power and Wi-Fi

Align your company with the state's most influential life science event and ensure your brand is seen, heard, and remembered by those shaping the future of the industry.

Reserve your exhibitor space today and position your company at the center of the state's most influential life science event. Email julia@thbi.com to sign up.
